Money's WORTH

Own a money market account? Then you are automatically eligible to receive a higher interest rate on applicable CDs. Ask us today about [Money's Worth](#).

Deposits are federally insured to \$250,000 and backed by the full faith and credit of the United States Government. Interest is compounded daily on the money market checking account and quarterly on the passbook account. The minimum balance is required to open and earn the interest rate and annual percentage yield (APY) disclosed. The interest rate and APY may change after the account is opened. Fees imposed may also reduce earnings.
